About a2z, Inc.

a2z, Inc. provides event organizers with a powerful web-based software suite that helps increase and accelerate booth sales. Our clients realize improved productivity in back office processes; increased connectivity with their membership, CRM and financial databases; and an improved web presence for their attendees and exhibitors. Our features include online floor plans, event sites, abstract/speaker management, matchmaking tools, personal itinerary builder, plus much more. More than 120 associations and show organizers deploy our solutions to manage over 500 shows annually, including 40+ of the TSW Top 200.

Other Products and Services

a2zShow:

Enterprise-level event management software contains a full suite of tools required to manage and market expositions, conferences and seminars, including built-in integration with in-house accounting, AMS, CRM and CAD systems.

a2zShowEZ

Quick-delivery suite of most-often used tools required to manage and market expositions, conferences and seminars, plus full expo financials, and optional integration with CRM systems.

a2zShowFloorPlan

Real-time, interactive, online software lets expo managers view, manage and update floor layout and exhibitor data with the click of a button, without requiring specialized CAD software.
